NOTE FOR:

FROM:

SUBJECT: FOIA Remedial Legislation

STAT

1. Last week two separate memos, reflecting the views of this office and the OGC respectively regarding possibilities of securing remedial legislation to the FOIA went forward to Mr. Carlucci. The OGC memo, forwarded without our prior knowledge or concurrence, is basically the memo prepared by [redacted] which you read prior to your vacation and a copy of which is attached. Our memo, also attached, reflected our views and, at the same time, referred to the earlier OGC memorandum. For the record, it should be noted that our memo had been prepared first and was withheld only because we were under the impression that OGC and OLC were going to work out a coordinated stance prior to approaching the DDCI with our joint recommendation(s). Because OGC forwarded their memo this obviously became impossible.

2. I recommend that you query the DDCI as to whether he has yet made a decision as to which course to follow.
